

Update to Covid Policy

- Classrooms will be ventilated as per updated DES guidelines (March 2021)
- Staff will be issued with medical grade face masks (March 2021)
- Scoil Angela has been supplied by the Department of Education with 8 CO2 monitors (September 2021). One is faulty. Others in use.
- Contact Tracing no longer required from September 27th, 2021.
- Back to school declaration forms are no longer required for children following an absence (September 2021).
- Board of Management purchased 5 Air Purifiers for classes 2nd to 6th (November 2021).
- Antigen Testing introduced for Primary schools on November 29th, 2021. Parents will ring the Principal with news of a positive case. The Principal will communicate with the parents of other children sitting close by so that they can order antigen tests from the HSE.
